Letter from our President

Dear WT'B Sisters:

I hope that everyone enjoyed a wonderful summer and is ready for the change of seasons. I would like to take this opportunity to invite you to join us this year. 2016-2017 is going to be very special. Your Council and Advisory Board have been working diligently planning a very interesting year.

We have moved our monthly meetings back to Jowonio at 3049 E Genesee St, at your request.

Our September meeting was unique. The focus, PEACE, the Celebration of the International Day of Peace, (established in 1981), and "Peace Poles" around the world and at Syracuse University was amazing. This is so connected to our World Interfaith Harmony Assembly and our mission statement. We were pleased to have Chaplain Mary Hudson from SU as our guest speaker.

In October we are beginning our Life Cycle series. We will have guest panelists of women from different Faith Traditions and October begins with "Conception, Birth and Abortion". Life Cycles will be continuing in January, March and April.

WT'B will again this year do a Wreath for Everson Museum for their Festival of Trees. The theme and a title of the Wreath is "The Lights of Diversity in Syracuse" and WT'B night at WCNV Travel Auction. Check out the beautiful WT'B website. The year is there for you with our events: Meeting programs, the upcoming famous WT'B Schmai's, and the fabulous Book Club.

The 15th Anniversary Dinner is going to be delightful, delicious, and will honor all of you who have made WT'B so special. November 6th at 5:30pm at Temple Concord should be a must do on your calendar. We are always looking for volunteers to share their talents with us. WT'B is so blessed with wonderful, talented, interesting, intelligent, and dedicated women.

Thank you all for your many hours of service, to WT'B, to each other, the local community and the International community.

In peace,
Betty Lamb
